To stitch center design and border on afghan: You will need the following skeins of floss:

9 skeins - 775
8 skeins - 368, 745
7 skeins - 3713
4 skeins - 504
2 skeins - white, 225, 369, 783, 3712, 3743
1 skein each of all others

To Begin: The heavy line nearest the design on each chart represents the woven pattern of the afghan (do not stitch this line).Stitch the upper left corner design of the afghan border first. Count two fabric threads per chart square from the heavy line to the desired starting place. Add the small square designs nearest the corner next, then work the top center design and the center design of the left side.

Next, rotate the chart 1/4 turn clockwise so that the print by the chart reads correctly.

Continue turning the chart clockwise so that the bottom right and finally the bottom left reads correctly. Stitch from the corner design outward.

Do not rotate the afghan.

Refer to the color photo on the back cover.

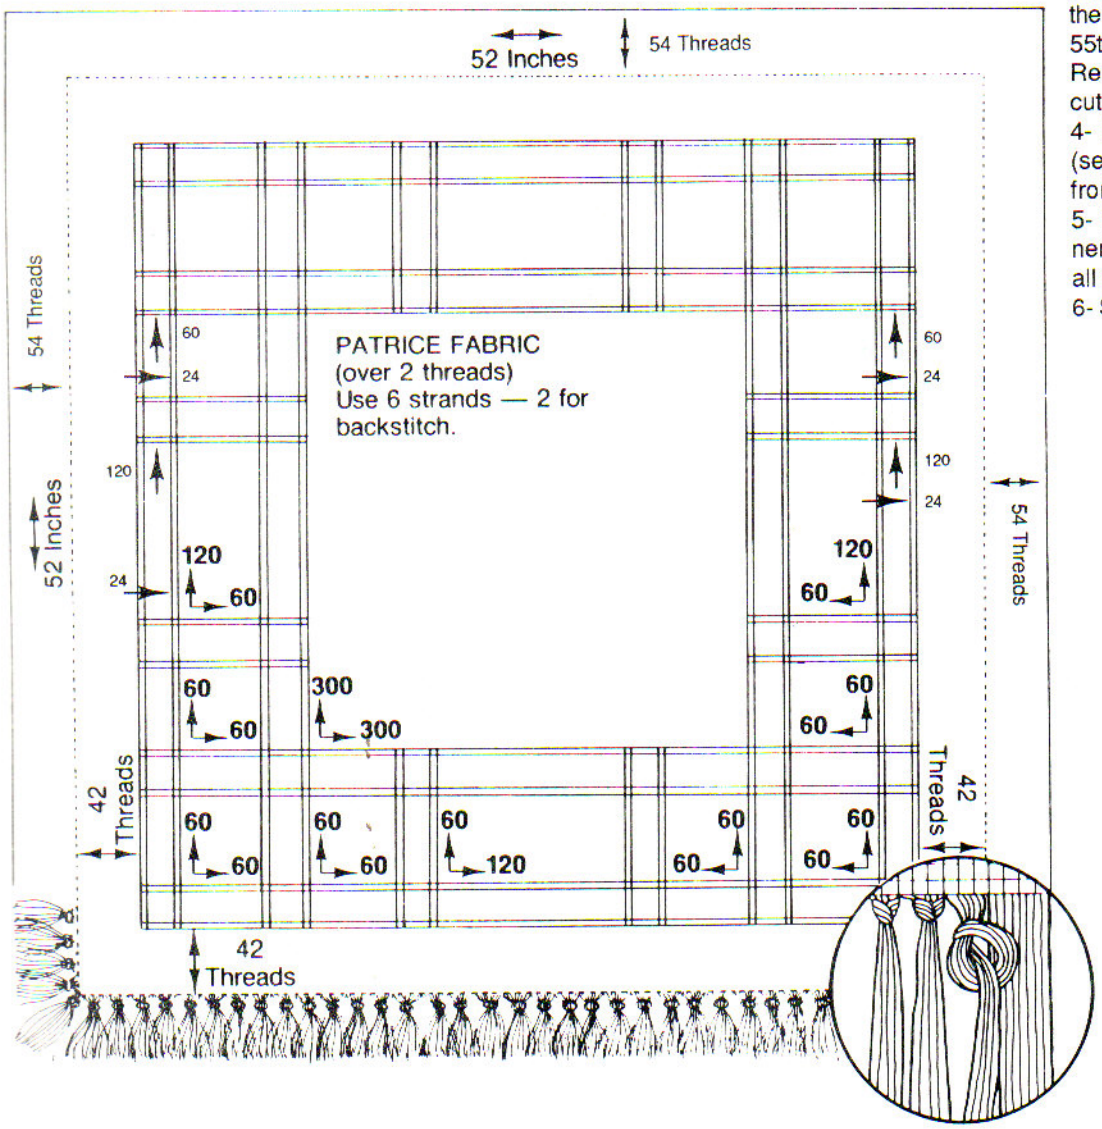
PATRICE AFGHANS

Patrice is a lovely cream or white fabric designed by and named for Pat Carson.

HOW TO START: To begin the center afghan design by a vertical thread count down 44 threads and count to the right 122 threads from the inside upper left corner of the central area of the afghan. Bring the needle up as indicated by the arrow at the top of the chart on page 28.

Work the border after the center design is complete, according to directions on page 30.

FRINGING INSTRUCTIONS:
1- Remove the selvage.
2- Remove the 43rd thread counting from the outside woven border on each side.
3- Turn the afghan face down. Count 54 threads further out (from the removed thread) and remove the 55th thread. Cut along this line (where 55th thread was removed) on each side. Remove threads to create fringe from cut edge to first removed thread.
4- Make an overhand knot at corners (see enlarged detail) using four threads from each side.
5- Make overhand knots between corners using 8 threads in each knot. Knot all threads.
6- See 'Laundering Afghans' on page 3.



PAT'S TIPS FOR STITCHING ON AFGHANS

1-Be sure to stitch on the right side of the fabric (pattern is raised).
2-Each square on the chart equals 2 threads on the fabric. Start by a vertical thread (see 'The First Stitch', page 3) and you will stay by a vertical thread.
3-Buy all of a floss color at one time to insure the same dye lot.
4-Separate your floss strands and put them back together. This will help your floss lie more smoothly.
5-Do not turn your fabric 90° because your stitches will not cross in the same direction. You may turn the fabric 180°.
6-Stitch the center design first, then borders.
7-Fringe last. (Afghan is face down.)
8-Afghan fabrics are not meant to be lined or backed with iron on fusing. Read page 3 and end your threads under several stitches on the back and you can be proud to show the back of your work.
